TRIM-TEX INC.

FOUNDED IN 1969

Joseph Koenig Sr.'s story, the Trim-Tex story, is a true example of the American dream: an immigrant who, through hard work and perseverance, built a better life for himself and his family. America has offered the Koenig family, who still owns and operates the company, the opportunity to provide 50 years of drywall innovations and manufacturing jobs for American workers.

As Trim-Tex reaches their 50th anniversary milestone, this is a time to celebrate the success and growth of the company as the leader in the drywall industry. To commemorate this achievement, Trim-Tex has released this special 50th anniversary catalog.

The traditions and values that founder, Joe Sr. instilled into Trim-Tex are a vital aspect of the business philosophy today and will continue to be passed down for generations to come. Trim-Tex takes immense pride in remaining a family-owned business and a proud U.S. manufacturer. Led today by CEO Joe Koenig, Jr. and a talented group of third generation team members, Trim-Tex will continue to innovate and provide drywall solutions for their customers, with the goal to remain the industry leader for the next 50 years to come.

SHADOWS & REVEALS RADIUS CHART

These tables identify the minimum inside and outside radius a Shadow or Reveal bead requires to finish cleanly.

Inside: anything less than the minimum number will not work.

Outside: anything greater than the minimum number listed will not work.

Dual Angle Dual Grit Sanding Block

- Features two tapered edges to simplify corner sanding and radius edges to prevent gouging and scuffing of compound
- 40% larger than standard blocks, measuring 5" x 3 1/4"

STOCK NO.	GRIT	PCS. PER BOX
885F	Fine/Fine	24
885F-BULK	Fine/Fine	100
885	Medium/Fine	24
885-BULK	Medium/Fine	100
885-IND*	Medium/Fine	24

*Also available individually sleeved

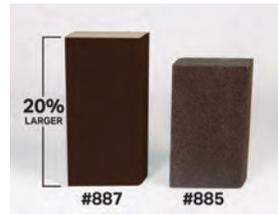

Patent# D480,619

Premium Dual Angle Sanding Block

- Features the same dual angle, dual grit design as the popular 885 line of products, but is made of a denser foam and coated with a premium grit for increased durability and longevity
- The block itself is also roughly 20% larger than our standard blocks

STOCK NO.	GRIT	PCS. PER BOX
887	Medium/Fine	16
887-BULK	Medium/Fine	70

Patent# D480,619

Single Angle Sanding Block

- Features a steep tapered edge, as well as the Trim-Tex exclusive radius corner to prevent scratching and gouging while the tapered edge prevents unintentional sanding of the opposite wall
- 40% larger than standard blocks

STOCK NO.	GRIT	PCS. PER BOX
888F	Fine	24
888F-BULK	Fine	100
888F-IND*	Fine	24
888M	Medium	24
888M-BULK	Medium	100
888M-IND*	Medium	24

*Also available individually sleeved

Patent# D480,619

Standard Sanding Block

- Standard size sanding block measures 2 3/4" x 1" x 4"
- Features the Trim-Tex exclusive radius edge which prevents unwanted scuffing and gouging

STOCK NO.	GRIT	PCS. PER BOX
883F	Fine	24
883F-BULK	Fine	180
883M	Medium	24
883M-BULK	Medium	180

Patent# D480,619

Sanding Sponges

- A 4" x 5" flexible pad that conforms to surfaces

STOCK NO.	GRIT	PCS. PER BOX
881	Fine	50 pc. Display Box

Buttboard™ Drywall Backer

- Pulls back the edges of the cut end of the drywall creating a tapered edge that requires less joint compound to finish
- Available in 500pc skid quantities

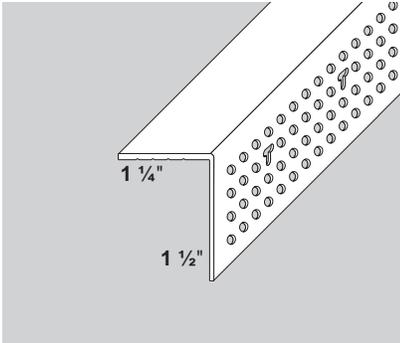

STOCK NO.	LENGTH	PCS. PER BOX
825	48"	12
826	54"	12
825S	48"	500
826S	54"	500

Truss Backing Angle

- Eliminates inside ceiling corner cracking due to truss uplift of interior partition walls
- Backing Angle may also be used where blocking is missing on inside corners
- Thick vinyl flange helps screws start easier
- May vary in color

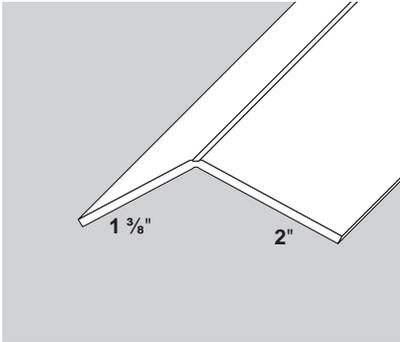

STOCK NO.	LENGTH	PCS. PER BOX
8050	10'	25

Vault Backing Angle

- Prevents cracks from forming along the peak of cathedral ceilings
- Creates perfectly straight peaks even with poorly aligned framing
- Thick vinyl flange helps screws start easier

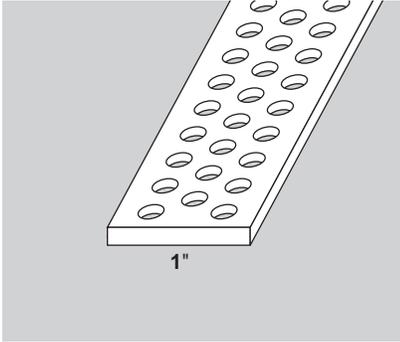

STOCK NO.	LENGTH	PCS. PER BOX
8060	10'	25

Shim in a Box

- Unlike paper shims, vinyl shims do not contain food sources for mold.
- Large holes allow stud adhesive to bond drywall to studs
- 47.5" strips can be scored with a utility knife and snapped to custom length or cut with snips
- Shim may vary in color

STOCK NO.	THICKNESS	PCS. PER BOX
972	1/16"	200
973	1/8"	125

MUD SET TOOLS

Pro Series 4 in 1 Hopper

- Includes inserts for installing Bumper Corner Bead, 90° rigid, splayed, bullnose, and bullnose splayed
- 390R includes only 2 wipers, one for 90° rigid bead and one for bullnose beads
